# SMALL BUDGET? BIG DREAMS? IT ALL STARTS WITH YOU!

To help you get started on your new bathroom, we've put together some information and a list of questions. You will also find a measuring guide attached.

## GETTING STARTED

- Make an appointment.
- Gather inspiration images and ideas; take photos of your current bathroom.
- Draw a sketch of your floor plan with rough measurements, take pictures too. Bring a floor plan for new builds or additions.
- Start contacting contractors for your project. (We can help!)

## VISITING OUR SHOOWROOM

The first time you stop into our showroom we will...

- Help you coordinate your cabinets, vanity tops, showers/tubs, flooring etc. We have a large variety of styles and finishes in our showroom.
- Discuss your floor plan and go over design ideas & layouts.
- Answer any questions you may have.

## IF YOU LIKE WHAT YOU SEE

- We will provide you with a preliminary estimate, 3D drawings\*\*, and a floor plan  
\*\*Perspectives will depend on the scope of the project.
- We will set up a meeting in the showroom to discuss the design, estimate and any potential modifications you would like to see.

## FINALIZING

- We will take final measurements at your home once all items are finalized.
- A deposit is required to place an order.
